FEATURES

The rectangular steel bath Tanza Plus 1600 x 700 cm with a capacity of 180 liters is made of 2.8 mm sheet metal on which 3 layers of enamel are applied. The advantage of enamelled steel tubs is their resistance to scratches, blows and abrasions. We recommend using one-piece or two-piece screens of the Cubito for Tanza Plus steel bathtubs. We provide a 30-year warranty for Tanza Plus steel bathtubs.

Drain: **Not included**

Height (INCH): **15 3/8"**

Installation legs: **With legs**

Length (INCH): **63"**
