

CUBITO - N

Single lever sink mixer, with high swivel spout
L=320 mm

TECHNICAL DRAWINGS

FEATURES

Cubito-N series is characterised by its attractive and timeless design. The combination of their round body with square control lever matches nicely with all washbasin and sink shapes. The practical swivel top spout is definitely one of major benefits of this handy kitchen faucet. It can also be installed at a washbasin bowl or a double sink. An extended five-year warranty is provided for faucet chrome surfaces and ceramic mixing valves. In addition, Cubito-N faucets are fully assembled and 100% tested in the JIKA factory in Znojmo (Czech Republic).
