FEATURES

Timeless, that's how the Pure series could be described in one word. A combination of cleanliness, modernity and elegance. The minimalist and clean design of the cabinets catches the eye at first glance and gives the bathroom a modern look. Black matte gloss (batch 353) is new. Classic white gloss (batch 500) is also available. A tall cabinet with a depth of 350 mm provides maximum space for storing essential small items of daily use. We provide a 2-year warranty on JIKA bathroom furniture, manufactured exclusively in the Czech Republic.
