FEATURES

The Pure rectangular washbasin bets on an original shape. Simple clean lines, thin walls and geometric design make this sink a distinctive feature of your bathroom It will stand out perfectly in combination with the Cubito or Mio-N furniture countertop. The template for the cut-out is included in the washbasin package. Novelty is two new colour versions: white matte (batch 757) and elegant black matte (batch 716) variant. Classic white (batch 000) is also available. The package includes a washbasin drain valve with a ceramic cap. We recommend combining with washbasin faucets for Cubito-N, Mio-N, Mio Style or Cube washbasin bowls. We provide an extended warranty of 10 years for JIKA ceramic products.
