FEATURES

The shower toilet is the perfect combination of a modern toilet, a unique look and smart functionality. The JIKAclean MILA floorstanding shower toilet with the Rimless flush system offers a number of functions: In-Tank (Attention! Thanks to the integrated In-Tank flushing cistern, installation is simple and does not require a concealed WC module.), Vortex flush 4.5/3l, antibacterial SLOWCLOSE heated seat, easy operation using a remote control and rotary button, automatic toilet flushing thanks to the AUTO flush function, descaling function (water and electricity connection required). Maintenance is very intuitive and easy thanks to this (H8946970000001 - Laufen descaling agent).
