

LIVO

Siphonic urinal

DIMENSIONS

Length	360 mm
Width	330 mm
Height	575 mm

COLOURS AND OPTIONS

000 White

FEATURES

JIKA offers ceramic solutions geared towards the needs of the technical buildings. The Livo urinal with outer water inlet is popular mainly because of its practical and simple design This urinal can be connected to a horizontal or vertical siphon, and for flushing can be use an inlet valve with a pressure valve, an angle valve or a valve suitable for sensor control. We provide an extended warranty of 10 years for the urinal. We recommend using a concealed module for urinals.

Length: **360 mm**

Width: **330 mm**

Height: **575 mm**

Average water consumption (L.): **1**

Fixing kit: **Not included**

Inlet diameter (mm): **30**

Minimum flushing quantity (l): **1**

Water inlet position: **External vertical**
