FEATURES

JIKA offers ceramic solutions geared towards the needs of businesses. One of them is Mira floorstanding sink. The functional shapes of the sink made of durable ceramics will be specially appreciated by the cleaning staff in public buildings. The folding plastic cover is attached to the sink. The sink can be installed with a concealed cistern - type SK suitable for standing toilets, among other things. Thanks to the rinsing ring, the sink can be flushed like regular toilets. Antibak prevents trapped dirt by having the inner ring and drains glazed. 100% recyclable. 10-year warranty provided.
