Duroplast seat and cover Zeta is offered with plastic hinges and we recommend it for serie of free-standing and wall-hung toilets. The seat is solid in shape, harder to the touch and, thanks to these properities, perfect in design. The SlowClose mechanism brings noise down and safety up by decelerating the seat and cover closing speed. In addition the toilet maintenance is facilitated by fast assembly and disassembly of the seat and cover thanks to the “click” system. We provide a 5-year warranty on the seat and cover.
