Cubito Pure bathroom series cherishes the newest trends in bathroom equipment. Thanks to its surprising simplicity, it catches the eye at first glance. Acrylic rectangular bathtub with a size of 1800 x 800 mm, made of 100% acrylic directly in the European Union, complements the Cubito bathroom set in shape. It is possible to order metal or plastic supports for the bathtub, either for installation without a panel or for walling. One-piece or two-piece bath screens from the Cubito series of the same name are an additional range and a practical solution. We provide a 5-year warranty on acrylic bathtubs.
