Colours and options

- ☐ H2140800000001 White
- ☐ H2140800000111 White

Dimensions

Length: 800 mm.
 Width: 800 mm.
 Height: 135 mm.

Compatible with

H251381 Shower enclosure, square, white glossy profile

H214070 Shower tray, steel, square, Antislip treatment

Steel trays are practical, easy to maintain, the material is resistant to temperature changes. Batch 011 offers a special Antislip surface treatment that prevents slipping. We recommend combining Sofia square bath tray with Cubito Pure shower enclosures and doors and with Lyra Plus shower enclosures. We provide a 5-year warranty on Sofia deep bath trays made of enamelled steel. Made in the European Union.
