- H819950 Pedestal for washbasins
H823382 Wall-hung WC, shortened, horizontal outlet
H819391 Siphon cover

A glimpse of traditional washbasin, this one from Lyra Plus series remains synonymous to harmonic shapes and classic lines. We recommend installing the classic Lyra Plus 500 mm washbasin with designer taps and a siphon, with a cover for the siphon, or a pedestal. The deep washbasins are pleasantly complemented by the faucets of the series of the same name. We provide an extended warranty of 10 years for JIKA ceramic products.
