Mirrors play an important role in bathrooms. Apart from the aesthetic point of view, it can visually enlarge the space significantly. You can combine the 700 x 810 mm Clear mirror with a 5 mm bevel with all JIKA furniture lines. It is complemented by 2 integrated lights (LEDs), which illuminate the space around the mirror with a bright but pleasant light. You will appreciate natural lighting the most in bathrooms without daylight. Thanks to the safe degree of protection IP44, it can be placed in a zone 600 mm from the bathtub. We supply the mirror without a switch, with a box for connection to the 230V network. Mirror and lighting are covered by a 2-year warranty.
