

### Wall-hung waste sink with plastic grid

JIKA offers ceramic solutions geared towards the needs of businesses. One of them is Mira wall-hung sink. The functional shapes of the sink made of durable ceramics will be specially appreciated by the cleaning staff in public buildings. The folding plastic cover is attached to the sink. The sink can be installed with the PRO WASTE SINK SYSTEM concealed module. Antibak prevents trapped dirt by having the inner ring and drains glazed. 100% recyclable. 10-year warranty provided.
