Technical drawings

A glimpse of traditional shower faucets, this one from Lyra series remains synonymous to harmonic shapes and classic lines. The Lyra Plus shower column with wall faucet with switch, sliding shower holder with height adjustment of up to 400 mm will modernize every shower enclosure. The shower column does not include accessories. Take a look at the accessories chapter and choose from a range of hand showers, hoses and holders. The shower accessories of the individual series are compatible and can be freely combined. Easy switching between overhead and hand shower. The Clean Touch function ensures uncomplicated descaling. We guarantee a 5-year warranty on the surface of the batteries and on the ceramic cartridges.
