A glimpse of traditional bathtubs, this one from Lyra series remains synonymous to harmonic shapes and classic lines. Made of 100% acrylate which secures color stability, easy cleaning and pleasant touch, featuring good insulation. We supply the Lyra bathtub with a capacity of 180 liters, including supports. If you do not want to surround the bathtub, the front and side panels made of the same material as the bathtub will be great. As a novelty, we offer headrests in two colors for all bathtubs. We recommend Jika bath screens for Lyra acrylic bathtubs. 5-year warranty provided. Made in the European Union.
