Technical drawings

A glimpse of traditional bath faucets, this one from Lyra series remains synonymous to harmonic shapes and classic lines. The chrome single lever bath-shower mixer with a movable spacing of 120–170 mm contains a high-quality ceramic cartridge (Ø 40 mm) with the OptimEco system, which significantly saves water. The Neoperl aerator located in the faucet is made of a special material on which limescale does not settle, which eliminates laborious cleaning. Nevertheless, don't forget to maintain the faucet on a daily basis, as limescale is able to settle within 48 hours. Bathtub faucets are not included. is compatible, can be freely combined. 5-year warranty provided. Tested for 70,000 cycles.
