Compatible with

H823616 WC Combi, raised, horizontal outlet

H823617 WC Combi, raised, vertical outlet

H823618 WC Combi, raised, horizontal outlet

Deep by JIKA seat with cover is made from duroplast material and we recommend it for free-standing and wall-hung toilets of the series of the same name. The seat is solid in shape, harder to the touch and, thanks to these properties, perfect in design. Offers two mounting options: batch 000 - plastic, batch 063 - steel, only in white. In addition the toilet maintenance is facilitated by fast assembly and disassembly of the seat and cover thanks to the "click" system. We provide a 5-year warranty on the seat and cover.
