

Siphon cover

Lyra Plus series remains synonymous to harmonic shapes and classic lines. If you do not plan to purchase a vanity unit or a visible design siphon for the washbasin, we recommend ordering a ceramic cover, which will elegantly cover the drain and supply technical part. The Lyra Plus ceramic cover is suitable for washbasins from the series of the same name in a width of 500, 550, 600, 650 mm or washbasins serie Zeta. The ceramic cover is supplied with an installation kit (H8900130000001). We provide a 10-year warranty on ceramic products that are 100% recyclable.
