

Hand shower, Ø 130 mm, 4 functions, chrome

Attractive design and geometry smoothly combined with flair – this is Cubito-N shower accessories. The broad range of Cubito-N series shower accessories also includes a hand-spray. The dia. 13cm hand-spray features four showering functions and it is easy to clean thanks to its Clean Touch feature. Soft-rubber nozzle elements make scale break off even upon a soft touch. Regular maintenance is a matter of course: you should not forget about daily shower maintenance, as limescale deposits can form in merely 48 hours! A two-year warranty is provided for Jika shower accessories.
