Technical drawings

Cubito-N series is characterised by its attractive and timeless design. The concealed bathtub/shower mixer without a shower kit can also be installed in a shower cabin. It can be combined, for example, with a hand-spray and a head shower at the same time. Jika also offers a broad range of Cubito-N series accessories. An extended five-year warranty is provided for faucet chrome surfaces. In addition, Cubito-N faucets are fully assembled and 100% tested in the Jika factory in Znojmo (Czech Republic).
