Technical drawings

Cubito-N bathroom faucets feature attractive and timeless design. Cubito-N pedestal type bidet single-lever mixer with an automatic outlet and an adjustable aerator includes a high-quality ceramic mixing valve with the EcoDisk system. If you plan to combine your bidet with an external water supply, it is recommended to order a package of Mio chrome angle valves 3/8"-1/2" (art. No.: H3727100040101). This faucet also includes two quality Tucai connection hoses made of stainless-steel. An extended five-year warranty is provided for JIKA faucet chrome surfaces and ceramic mixing valves.
