

Thermostatic shower mixer, without shower set, chrome

Application place: Shower

Faucet type: Thermostatic

Finish: Chrome

Installation type: Wall-mounted

Deep by JIKA, the series of bathroom faucets of elegant shapes offers a comprehensive range of models. The wall-mounted thermostatic shower mixer without shower set has an ingenious thermostat with a Safety stop function, which ensures a constant, non-fluctuating temperature of the set water. In addition, it can use the EcoStop button to regulate the water flow and save up to 50%. You can combine the Deep by JIKA thermostatic mixer with Mio, Rio or Cubito-N series shower accessories. We provide an extended warranty of 5 years for the chrome surface and cartridge (Ø 37 mm) of taps. Shower accessories are covered by a 2-year warranty. Deep by JIKA batteries completely assembled and 100% tested in the JIKA factory in Znojmo.
