H41J424 Base unit under countertop, 1 drawer
H450133 Support for made-to-measure washtops, adjustable, silver

Do you have a spacious bathroom and want to utilize bathroom layout up to the maximum? The ideal solution is provided by made-to-fit Cubito washbasin counter offered in various lengths of 650–1600 mm, which can be used for Cubito washbasins (450–750 mm). Washbasin counter offered in white or oak variants can be cut to the required length by the installer. We recommend to combine this counter with adjustable support feet (either white or bright) or with under-counter vanity units. To order a washbasin cut-out please use the form available at JIKA catalogue. A two-year warranty is provided for Jika bathroom furniture, which is made exclusively in the Czech Republic.
