

### WC seat and cover, duroplast, Slowslose, removable, stainless steel clamps

Hinges material: Stainless steel

Shape: Round

Suitable for: Toilet

#### Colours and options

☐ H8917110000631 White, steel hinges

#### Compatible with

H820714 Wall-hung WC, Rimless, horizontal outlet

#### Technical drawings

Fixing from the top through ceramic holes, quick-mount, easy-off. The SlowClose mechanism brings noise down and safety up by decelerating the seat and cover closing speed, enabled with the Slim Seat design.
