Attractive design and geometry smoothly combined with flair – this is Cubito-N shower accessories. Ultra thin head shower with a generous 300x300 mm square shape will definitely boost your showering experience. Users will namely appreciate the rain function, as the shower arm design allows for a simple installation either from the ceiling or a side wall. Direction of the rain effect can be adjusted within the range of 30 degrees. A considerable reduction in water consumption can be achieved by setting the flow-limiter to 12 litres/min. The head shower works reliably regardless of lime concentration, because it features the Clean Touch function for easy nozzle cleaning. A 2 year warranty is provided for shower accessories.
