H894651 Basic WC system compact for wall-hung toilets

Lyra Plus series remains synonymous to harmonic shapes and classic lines. The wall-hung WC is a combination of up-to-date design and the latest technologies. The rimless toilet bowl is a true technological miracle. It meets all demanding hygienic requirements of these days. It prevents deposition of soil and bacteria, making it easy to keep your toilet clean without much effort. And what's more, it saves water thanks to the Dual Flush system that only consumes 3 or 4.5 litres of water. An extended 10-year warranty is provided for all JIKA ceramic products.
