

Vanity unit for washbasin 800 mm, 2 drawers

Simple flair and variable use options. Mio-N furniture boasts with its nice and timeless design, amplified by the absence of handles thanks to the push to open system. The wall-hung vanity unit for the 800 mm washbasin (H812716) with side ceramic shelves is offered in two versions: either in traditional white with glossy front surfaces and matte sides, or with a nice wooden décor of ash-tree to underline the harmony of the relaxing space. Vanity units feature fully-extendable drawer runners with a soft-close mechanism and the load capacity of 30 kg. Please combine these vanity units with the space-saving JIKA siphon (H8942460000001) to provide for more space inside. Attention! The pitch of the corner valves in this case must be 200 mm. A two-year warranty is provided for JIKA bathroom furniture, which is made exclusively in the Czech Republic.
