The popularity of the Lyra Plus series is conditioned not only by its consistently low price, but remains synonymous with harmonious shapes and classic lines. We offer the Lyra Plus seat with a duroplastic lid with metal handles and recommend it for toilets from the same series. The seat allows easy cleaning thanks to the high-quality duroplastic material and quick assembly and disassembly thanks to the "Click" system. The ingenious Slowclose mechanism ensures slow automatic folding. We provide a 5-year warranty for the Lyra Plus seat.
