

Single lever bidet mixer, metal waste, chrome

Application place: Bidet

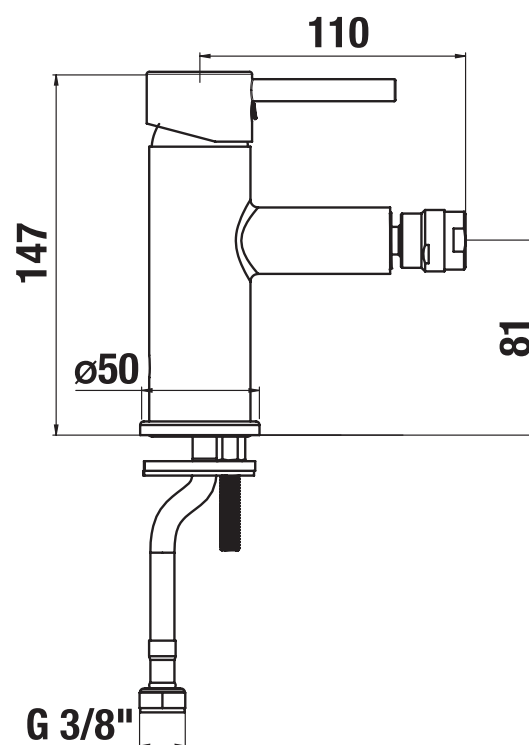

Faucet type: Single-lever

Finish: Chrome

Flow rate (l/min - 3 bar): 5

Installation type: Deck-mounted

Technical drawings

Mio Style series is a popular range thanks to its elegant shapes and simple controls. The single lever bidet mixer with metal waste contains a high-quality ceramic cartridge ($\varnothing 35$ mm) and an economical Neoperl aerator with a flow rate of 5 l/min. The aerator is made of a special material against limescale. Another advantage of the faucet is the switches, i.e. the flap against the back suction of polluted water. The chrome surface of the faucet and the ceramic cartridge of the faucets are covered by a 5-year warranty. Mio-N bathroom faucets and shower accessories are assembled and 100% tested at the JIKA factory in Znojmo (Czech Republic).
