Technical drawings

Talas bathroom faucets represent quality at a great price. The Talas Trendy wall-mounted washbasin/kitchen faucet with swivel spout 150 mm contains a high-quality ceramic cartridge (Ø 35 mm) and an economical hidden Neoperl aerator with a flow rate of 5 l/min. Advantage of these basin and sink faucets is the option of choosing an aerator with different flow rates. The battery is supplied without waste. We recommend the Click-Clack basin waste (H3917100040001) and the Mio 5/4"-32 mm washbasin siphon (H3747100040001). We guarantee a 5-year warranty on the surface of the battery and the ceramic cartridge.
