Width: 418 mm.

Height: 607 mm.

Compatible with

H894246 Space saving siphon

The new Deep by JIKA series is based on extremely pleasant sensations evoked by touching smooth wood, as well as discreet and clean white colour tones, and crisp ash-tree or golden oak décor to caress your eyes. The vanity unit with 2 drawers of purely geometric shapes is offered in a convenient 1+1 PACKAGE together with a washbasin 550x430 mm and is made in two designs: classic white color with semi-gloss on the front or in pleasant ash wood decor, which will bring a piece of nature to your bathroom. The vanity unit has drawers with Hettich runners, with a soft-close and self-closing system and designer aluminum handles in a silver shade at the edge of the drawer. We recommend combining the vanity unit with a space-saving JIKA siphon (H8942460000001), which will provide more space inside. NOTE: the spacing for corner valves in this case must be 200 mm. The vanity unit can be supplemented with legs (H4944021760001). We provide a 2-year warranty on JIKA bathroom furniture, manufactured exclusively in the Czech Republic.
