

Perfect in every detail. The Pure faucet series stands out thanks to its sophisticated design that combines a timeless look with practical elements. The washbasin lever faucet in chrome design contains a high-quality ceramic cartridge ( $\varnothing$  35 mm) without a flow/hot water limiter. The Neoperl aerator with a flow rate of 5 l/min, located in the battery, is made of a special material that preventing scale deposition, thanks to this, the hard cleaning is eliminated. However, do not forget about daily maintenance of the battery, as limescale can settle within 48 hours! The specially shaped handle offers a better grip and easier control. We guarantee a 5-year warranty on the surface of the battery and the ceramic cartridge. Tested to 70,000 cycles.

### Single lever basin mixer, high rise L=268 mm, without waste, chrome
