Tigo means cleanliness and elegance. We offer a designer washbasin with a width of 800 mm and a depth of only 385 mm with a tap hole on the right, so it offers enough large space. We recommend the Mio 5/4"-32 mm siphon (H374710) for the washbasin. The JIKA brand provides a 10-year warranty on ceramic products. Leveling paste is included in the package.
