

Single lever shower mixer, without shower set, black matt

Application place: Shower
Faucet type: Single-lever
Installation type: Wall-mounted

Colours and options

 H3312F77164001 Black matt

Technical drawings

Mio Style series is a popular range thanks to its elegant shapes and simple controls. The single lever shower wall-mounted faucet in the new matte black color design contains a high-quality ceramic cartridge (Ø 35 mm) and an economical Neoperl aerator with a flow rate of 5 l/min. The aerator is made of a special material against limescale. Another advantage of the faucet is the switches, i.e. the flap against the back suction of polluted water. The shower faucet is supplied without the shower set. We recommend ordering a shower set in the same black matte color (H3652F07163611; H3652F07163731). Mio bathroom faucets and shower accessories are assembled and 100% tested at the JIKA factory in Znojmo (Czech Republic).
